PATENTS

Attached hereto is Form PTO-1449 listing documents believed relevant to the subject application. These documents are not necessarily analogous art or material to the patentability of the invention. It is respectfully requested that these documents be considered by the examiner and an initialed copy of each form be returned to the undersigned. This disclosure statement should not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(a) exists. It is believed that this disclosure complies with the requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98, and the Manual of Patent Examining Procedures §609. If for some reason the examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

This information is being submitted subsequent to the mailing of the first Office Action on the merits, but before the mailing of a final action or the notice of allowance.

Applicant reserves the right to present to the USPTO the relevant facts and law to support that the listed documents are not "prior art", that the listed documents are not "material" to the patentability of the present invention and that the present invention is patentable of the listed documents.

A copy of each document is enclosed. Some of the documents may have markings thereon. No significance is meant to be attached to the markings.

A check in the amount of \$180 is enclosed to cover the fee under 37 C.F.R. § 1.17(p).

OTHER INFORMATION

Applicant wishes to advise the examiner that applicant has attached copies of the International Search Reports results regarding PCT Application Number PCT/CA 01/00323 for the Examiners' review.

Respectfully submitted,
